The Churchwardens' Report.

EASTER, 1891.

In surrendering their trust for the past year, the Churchwardens feel gratified in being able to announce a balance at their credit; thanks to the response made to their recent appeal to the Congregation. Although, as will be seen from the accompanying Financial Statement, owing to Easter coming two days before the close of the quarter, they have escaped the payment of several accounts which become immediately due; but against this, they may state, that in addition to there having been but fifty-one Sundays in the year, they have been called upon to meet a number of claims not included in the estimates.

The total income from all sources (omitting the contributions for the poor,) has been $5,794.11, as against $7,363.68 last year, showing a falling-off of $1,569.57; but it may be mentioned that the receipts of last year included the offertories of two Easter Days.

The amount contributed through Envelopes was $1,007.66, that of last year being $981.30, an increase of $26.36; the amount received by open contributions was $1,818.06, as against $2,164.17 last year, a decrease of $346.11; the two combined showing a decrease of $319.75, or $5.08 less per Sunday, as compared with last year.

$1,507.22 has been contributed for special parochial objects; and for non-parochial purposes $1,241.64.

$1,277.05 has been received on account of the School House Building Fund during the year. Of this sum $296.33, the proportion of the St. James' Rectory Surplus awarded the Rector of this Parish, was most generously handed by him to the Churchwardens towards this Fund. The very successful entertainments given in the School House during the year for the benefit of this Fund, resulted in the Choir contributing $73.25; the Sunday School Children $80.34; and the Boys' Guild $20.00. In addition to paying the current interest, the Mortgage has been reduced by the handsome sum of $1,000, thus reducing the debt on the building to $4,500.

The amount at the debit of Cottage Account has been reduced during the year to the extent of $65.66.

Doubtless, the Congregation heartily join the Churchwardens in welcoming the Rev. Dr. Mockridge amongst us, and trust that his connection with this Congregation may prove alike beneficial to it and satisfactory to himself.

The Churchwardens are pleased to state, that in consequence of an increase in the proceeds of the Endowment of this Church, the Congregation will be relieved of further payment to the Rector on account of Stipend.

One of the two large Coal Stoves, so kindly presented to the Church years ago by the Venerable and Rev. Dr. Scadding, having become past further use, the Churchwardens had to determine on some substitute for it. After much enquiry and consideration, they determined upon trying the somewhat novel experiment of placing a Furnace with an open top upon the floor of the Church, the air being drawn from the Church and passed under the floor and

through the Furnace. They are glad to report it a complete success; consuming less fuel and giving more warmth than the old heater. The Furnace can be utilized at any time in the ordinary way.

It will have been observed that the Gasaliers in the Church have recently been lowered and the light much improved. The Congregation are indebted to the liberality of the Rector for this, he having defrayed the cost of the work. To get the full benefit of the alteration, the Gas Superintendent states that it is necessary to put a larger main in the Church, to and above the ceiling. This can be done for the sum of $30.00.

The Church at large, and this Congregation in particular, have recently sustained a severe loss in the demise of Mr. John W. Young. It will be long before his genial presence and open hand are forgotten in the Church of the Holy Trinity; and the Churchwardens are sure that they but voice the feelings of the members of the Congregation in assuring his relatives of their deep sympathy in their bereavement.

To enable their successors to meet the estimated expenditure for the present year, an increase in the contributions of $288.89, or $5.56 per Sunday, will be necessary.

The Churchwardens desire to acknowledge with thanks the assistance kindly rendered them in many ways by members of the Congregation.

All of which is respectfully submitted.

W. P. BYRCH, } Churchwardens.

Votes of Thanks, etc.

At the Annual Vestry Meeting, held on Easter Monday, March 30, 1891, the following resolutions were carried unanimously.

Resolved.—"That the thanks of the Vestry are due, and are hereby tendered to the Churchwardens for the very able and efficient manner in which they have discharged their duties during the past year."

Resolved.—"That the thanks of the Vestry be tendered to the Ladies of the Congregation who have from time to time assisted, during the past year, in making necessary collections, decorating the Church, and performing various other services in carrying on the work of the Parish."

Resolved.—"That the thanks of the Vestry be tendered to the Organist and Choir for their zealous and efficient services during the past year."

Resolved.—"That the Vestry desires to express its warmest thanks to the Rector for the generous donation made by him to the Sunday School Building Fund during the past year; and also, for having undertaken the cost of the repairs to the gasaliers of the Church."

Moved by Mr. S. G. Wood,
Seconded by Mr. G. S. Holmested,
"That the members of this Vestry desire to place on record their deep sense of the great loss sustained by the Parish during the past year by the demise of Mr. John W. Young, which took place on Friday, 16th of January, last.

Mr. Young had been, from the opening of the Church a member of the Congregation and of the Vestry, and had

filled the offices of Vestryman, Sidesman, Sunday School, Superintendent, and Churchwarden. His genial kindliness and abundant liberality in aid of every good work; his true Churchmanship and consistent Christian life; won the just esteem and affection of all who knew him, and in an especial degree that of the members of this Congregation.

This Vestry desires to express to Mrs. YOUNG and the other members of his family, their high appreciation of Mr. YOUNG's worth, and their sincere sympathy in their great bereavement."

That a copy of this resolution be forwarded to Mrs. YOUNG.—*Carried.*

Brotherhood of Saint Andrew.

SPREAD THE X KINGDOM.

A Chapter of the Brotherhood of St. Andrew has been formed in connection with this Parish; and in order that Parishioners may understand what the Order is, a short account of the same is given.

Some ten years ago, two or three young men in connection with St. James' Church, Chicago, formed themselves into a Brotherhood on St. Andrew's Day of that year, and pledged themselves to pray daily for the spread of Christ's Kingdom amongst young men; and to endeavour each week to bring at least one young man within hearing of the Gospel of Christ.

Their number soon increased, and the idea was rapidly taken up by other parishes in the City of Chicago and suburbs, thence spreading from city to city, state to state, until at present the Brotherhood in the United States numbers over 7000 strong, with over 500 Chapters.

In June, 1890, regular Chapters, under the control of a Canadian Council, were formed in Canada, in connection with and on the same lines as the American Brotherhood, a Concordat being drawn up between the two Councils; Mr. John W. Wood and W. Ackman representing the American Council, and Mr. Heath and Mr. F. Dumoulin the Canadian Council. There are now over fifty Chapters in Canada, eleven of them being in Toronto, and the remainder scattered throughout the Dominion, and considering this to be the result of nine months' work from the time the Canadian Council was formed, the results are very encouraging. The Holy Trinity Chapter consists of twenty-three members, three being probationary, a probation of six weeks being necessary before becoming a full member of the Brotherhood of St. Andrew.

The rules are few and simple, consisting of two: the Rule of Service and the Rule of Prayer. The Rule of Service consists of making an earnest effort each week to bring at least one young man within hearing of the Gospel; and the Rule of Prayer, to pray daily for the spread of Christ's Kingdom amongst young men.

A reading room is open every evening throughout the year in the School House, controlled entirely by Brotherhood men. All young men over sixteen are invited to use this room. There are all kinds of magazines, illustrated and

other kinds, besides the daily papers, and Brotherhood men are *always* in attendance.

The Brotherhood Bible Class is held every Tuesday evening, at eight o'clock; and the regular Chapter meeting is held every first and third Tuesday in the month, after the Bible Class. The method of work can easily be traced thus, commencing with the Reading Room as the starting point: from Reading Room to Bible Class, from Bible Class to Sunday School, from Sunday School to Church, and so on. Members of the Brotherhood of St. Andrew *anywhere* can always be distinguished by the badge of the Order, "The St. Andrew's Cross," worn on their coats; and strangers visiting the Church will as far as practicable be handed a card, welcoming them to the Church, and asking them to fill in this card with their names and addresses, which will be handed to the Chapter and by them to the Clergy, who will conjointly call upon them during the week.

Members of the Congregation are asked to further encourage the work of the Brotherhood, and to supply the reading room with what spare illustrated magazines they can.

Any further information relative to the above can be obtained from the Secretary-Treasurer of the Chapter, and who is also a member of the Canadian Council, Mr. CYRIL E. RUDGE.

All communications can be addressed to the Brotherhood room, School House, Trinity Square.

The Choir.

The Choir continues to maintain the deservedly high reputation it has won for itself. At the Easter Vestry meeting, a hearty vote of thanks was tendered the Organist and members for their zealous and efficient services during the past year.

During the winter, two Concerts were given in aid of the School House Building Fund, and they were well attended, the sum of $73.25 being realized.

Bible Class.

The work of the Bible Class has been carried on during the past year with great regularity, with the intermission of a few Sundays during the summer vacation. The average attendance has been about twelve. There is abundance of room for an increase in its numbers.

The course of Lessons has been that arranged and recommended by the Inter-Diocesan Sunday School Committee appointed by the Provincial Synod; and is taken, during the present Ecclesiastical year, from the Acts of the Apostles, with special subjects appropriate to the greater Festivals.

The offerings from the class have been applied in aid of the Indian Home, near Fort McLeod, in the Diocese of Calgary and Saskatchewan, conducted by the Rev. H. T. Bourne and Mrs. Bourne.

The Statement appended hereto shews the amount received and remitted, and the balance in hand.

During the past year, an excellent Melodeon, for use in the Bible Class Room, has been obtained through the kind exertions of some of the ladies belonging to the class, and the liberality of friends in the Congregation.

It would be a great encouragement to Mr. Wood and to the members of the class, if the attendance were increased on Sunday afternoon. The time occupied is from three to four o'clock, and it is hoped is not altogether lost or misspent

Respectfully submitted,

S. G. WOOD.

The Boy's Guild.

The Boys' Guild was re-organized in the month of October, 1890. During the season the members of the Guild carried into effect a very interesting programme, consisting of moot courts, impromptu debates, and other amusing recreations. The members devoted their attention towards the end of the season to the work of their Annual Concert, which was very successful.

The Guild will re-form next autumn, when it is hoped that many more boys will enroll themselves as members.

The Children's Sewing Class meets every Saturday morning from half-past ten o'clock till twelve, in the upper school room. About twenty children attend, and it is conducted by Miss Sullivan, Miss M. Bethune and Miss Pearson, who would be glad of assistance from one or more Ladies during the coming season. Contributions of print, flannel, or factory cotton will be thankfully recieved. The Class will close early in June, when a pic-nic is usally held and the best worker presented with a prize, for her industry.

The Church Women's Guild.

This band of workers meet every Thursday afternoon. Their first object is to make and keep in repair the Choir Vestments. Surplices are made to order, and other garments are made and sold ; the proceeds of which, with the monthly fee of ten cents, is given to the School House Fund. Several new members have joined during the past year, and more will be cordially welcomed.

The Mothers' Meeting.

This is a branch of the Dorcas Society, formed for the purpose of enabling the poorer women of the Congregation to assist in providing themselves and their families with clothing. The meetings have been conducted by Miss Jarman and Mrs. Pearson on Thursday evenings, and have been well attended and much appreciated.

Fuel and Clothing Club.

MR. BEVERLEY JONES AND MR. G. S. HOLMESTED, *Trustees.*

This Club was formed to enable its members, by putting aside a small sum each week, to practice economy, and lay up in summer, money to meet winter expenses for fuel and clothing, and also to secure for the members the advantage of getting these necessities at cheaper rates than they could otherwise do.

Girls' Friendly Society.

There is nothing new to report as regards this Society. The work goes on quietly and steadily. Miss Reeve and Miss Selby, with Miss McDonald, are in charge of the candidates, while Miss Thompson and Mrs. Sullivan work among the members. The Society has a valuable addition to its workers in Mrs. Mockridge.

Useful articles of various kinds were made by the girls, to provide for a Christmas Tree in Algoma last December, and all are now busily working for the Sick Children's Hospital, one of our own most valuable institutions.

The meetings of the Society are held weekly, on Monday evening, in the Parlour of the New Sunday School Building; and on that evening the Working Associates would gladly welcome girls who are desirous of becoming members of the Society, or visitors from the members of the Congregation, how may feel interested in the work.

The Magazine, called "Church Work" has a monthly circulation of 150. New subscribers can leave their names at the Parsonage. Price 30 cents per annum.

Anniversary Service.

FORM OF DECLARATION

To be signed by Members of the Congregation who desire to become Members of the Vestry.

I SOLEMNLY DECLARE that I am a Member of the Church of England, and of the Congregation of the Church of the Holy Trinity, Toronto ; that I am of the full age of twenty-one years ; that I am an habitual worshipper with the said Congregation, and have been so for three months next preceding the 1st day of January instant ; that I am not registered as a member of any other Congregation ; and that during the three months above mentioned I have not voted, nor do I intend to vote, as a member of any other congregation, at an Election of Lay Representatives in the next Synod.

This declaration is to be signed by all male members of the Congregation desiring to take part in the Vestry, during the first fifteen days of January, in a book kept by the Churchwardens for the purpose ; but persons who have already signed it, and who are still recognized by the Churchwardens as entitled to vote at the next election of Lay Representatives of the Congregation in Synod, need not sign it again.

On or before the 22nd January in each year, the Churchwardens are to put up an alphabetical list in the vestibule of the Church, of those they admit entitled to vote ; and any male member of the Congregation whose name is not on the list so posted up, may apply up to the 15th February to the Churchwardens for permission to sign the Declaration, and have his name added to the list.

Those only who are on the list as finally settled are entitled to act as members of the Vestry and to vote for delegates of this Congregation to the Diocesan Synod for the then ensuing year.
